DIRECTOR | EISNER ADVISORY GROUP LLC

Brenda DeSaro is an Audit Director in the firm's Pension Services Group. She has over 20 years of experience, handling the related pension plan audit and consulting requirements for a broad client base. She efficiently and accurately manages all types of pension plan audits.

Brenda has served both public and private clients in a wide variety of industries with both defined benefit and defined contribution plans, including 401(k)s, 403(b)s, 11-Ks, and ESOPs. She consults with clients and is responsible for supervision and review of staff and work product, including detailed testing. Brenda is involved in the maintenance of the firm's master engagement templates as well as design and delivery of annual firm-wide continuing professional education in the employee benefit plan audit area.

Throughout the year, Brenda attends seminars to keep abreast of unique ERISA, DOL and AICPA employee benefit plan issues. She has presented to various professional groups on employee benefit plan topics. She is also very active in teaching and planning continuing professional education courses.
